ANGLE / STORAGE

The Angle storage system is a follow-up to our sculptural Angle shelf. The interesting angles are the same but the storage system consists of cabinets in four sizes and a drawer unit.

Angle is functional office storage behind a creative front with a distinct and clean design. The cabinets are dimensioned for the office and to store binders, folders and suspension files.

To allow you to create your own combination of cabinets all doors are available in mirrored sets.

DESIGN Sara Larsson

MATERIAL painted MDF

COLOURS white and other colours upon request

DETAILS the cabinet has a base and the drawer unit has wheels as standard
