COLLECT 2012 / CABINET

Collect 2012 is a distinct little cabinet for your favourite things. It is far away from any anonymous storage system and is characterised by its beautiful doors in leather. Collect 2012 is a limited edition of 81 cabinets. The cabinet has a fish scale patterned front made in Tärnsjö leather and comes with a signed and numbered metal plate.

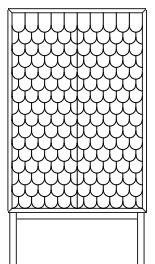

Why 81 cabinets then? - It's simple, the designer Sara Larsson was born in 1981.
