## POEM / VASE

The Poem vase is all about the flower in the centre. Poem is a bold vase with a clean geometric expression. Half a sphere with a mirror top creates a beautiful surface for flowers to be reflected in.

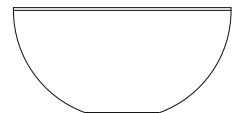

One flower and all its reflections is enough.

**DESIGN** Sara Larsson

**MATERIALS** solid wood, glass and mirror glass

**COLOURS** white, black, blue, dark green and orange

**DIMENSIONS** Ø 24 x H 12 cm

... with love from Småland, Sweden
