BIG MOVE / TROLLEY

A triangular shape with a distinct handle forms the trolley Move. It is like a nice little character that catches the eye. Use it as a small table next to the sofa or the bed, as a drinks trolley or as a movable table.

The trolley has black wheels and the handle is beautifully covered in leather. The Big Move trolley has a bottom shelf of nero marquina marble or oak veneer.

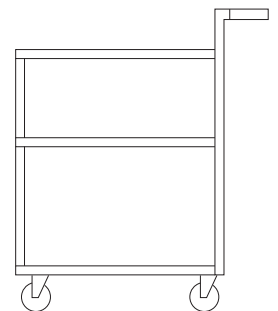

DESIGN Sara Larsson

MATERIALS oak, oak veneer, MDF, marble, leather and glass

COLOURS white oiled oak and black stained oak

OPTIONS bottom shelf in nero marquina marble or oak veneer

DIMENSIONS W 53 x D 83 x H 98 cm
